

The Recovery Friendly Workplace Initiative

empowers workplaces to provide support for people affected by substance abuse disorders and those in recovery.

The Result?

A healthy and safe environment where employers, employees and communities work together to create positive change, reduce stigma and support recovery.

Recovery Friendly Workplaces positively impact their bottom line by providing a supportive environment where all employees can thrive.

Employer Benefits

- Reduced absenteeism
- Safe, positive workplace culture
- Higher employee retention
- Increased productivity and profitability
- Employee loyalty

Employee Benefits

- Improved health and wellness
- Better communication
- Motivation to succeed
- Reduced stigma
- Supportive, safe work environment
- Increased job satisfaction

“My work is definitely important to my recovery. It gives me motivation and determination to keep pushing forward and keep striving to do better.”

- Stephanie, a person in recovery

Did you know that addiction costs Missouri

\$1.4 million per hour

\$34.5

million per day

\$12.6 billion per year?

Recovery Friendly Workplaces:

safety, productivity,
profitability

costs due to impaired
productivity and
absenteeism
